SUPPLEMENTARY INFORMATION:

Background

In the Initiation Notice published in the Federal Register on May 1, 2012, the Department incorrectly identified “Activated Cabron [sic]” from the People’s Republic of China as the antidumping duty order for which a five-year review (“Sunset Review”) was being initiated. The Department is now correcting that notice: the antidumping duty order for which the Department is initiating a sunset review is Polyester Staple Fiber from China. The initiation is effective May 1, 2012.
